WHAT WE DO

Amara Sport is a wholesale supplier of quality sports & fitness equipment.

Amara entered the Australian market in 2015 and have expanded to supply customers throughout all states of Australia. We've been able to do this by offering quality products at competitive prices, whilst providing around the clock service.

Although we supply commodity products, our true strengths lie with our ability to give our customers the option of customization and branding their own products. Why not grow your brand by adding your logo onto all of the products you sell?

We have the ability to do this because our sister Company is a specialist sourcing & logistics company with offices both domestically and overseas. Feel comfortable knowing several of our staff will carefully monitor your order at every stage, from designs, through to samples, production and delivery to your door. This partnership allows us to offer quality customisation, with full transparency at rock bottom price.

Whether you are a health store, personal trainer or gym, Amara Sport can help your business. Reach out to one of our helpful team, we'd love to chat!
